Dear David:

Thank you for your recent letter regarding the toll road bill. I appreciate you contacting me on this issue.

The bill, as amended, would only allow the Tennessee Department of Transportation to do a study on two toll road projects. We did receive assurances in committee that one would not be the orange route. In addition, the legislature would have to approve any toll road project

I did vote in opposition to the bill on the floor of the Senate.

Sincerely

Randy McNally
State Senator
