P. O. Box 2777
Knoxville, TN 37901

Dear Mr. Burkhalter:

Thank you for the copy of your December 8th letter to Governor Bredesen regarding the Orange Route. I oppose the current design of the Orange Route because I feel the route should be moved further north and have expressed this opinion on a number of occasions to the Tennessee Department of Transportation.

Sincerely,

A handwritten signature in blue ink that reads "Randy".
